Process Cost Affidavit

By signing this Incentive Claim Form, the Host Customer and Solar Contractor, with respect to the solar project identified in this application, which is funded by the San Diego County Equitable Solar Pilot (County Solar Pilot), certify and declare under penalty of perjury under the laws of the State of California that each of the statements in the paragraphs below are complete, true and correct.

1. The information provided in this form is true, accurate, and complete.
2. The system described above is new and intended to offset part or all the Host Customer's energy needs.
3. The Host Customer received a copy of this completed form.
4. The County Solar Pilot incentivized equipment meets the Terms and Conditions of the County Solar Pilot, has been installed and is operating satisfactorily as of the date stated.
5. The rated electrical output of the system and the physical location of the system are as stated above.
6. Except as noted, there were no changes in the information regarding the Host Customer's solar system specifications, installation location or price from that information provided in the Reservation Request Form originally submitted by the undersigned.
7. Tax Liability: I understand that the incentives may be taxable and may be reported to the IRS unless I am exempt from reporting. You are urged to consult your tax adviser concerning the taxability of incentives. Program Administrator is not responsible for any taxes that may be imposed on you or your business as a result of your receipt of this incentive.
8. I expressly consent to allow the County Solar Pilot to use any personally identifiable information contained within the application or collected as part of the program, including but not limited to the signed application, contact information, Solar PV Equipment data and supporting documents, for the purpose of the carrying out the County Solar Pilot program.

By signing this document, you commit to understanding and accepting the Terms and Conditions of the program.
