

San Diego Solar Equity Program

County Pilot

Terms and Conditions

Acknowledgement of San Diego Solar Equity Program – County Pilot Terms and Conditions

By signing this form, the Host Customer and Solar Contractor certify that they have read the Program Handbook and that the Project meets all eligibility requirements. The Host Customer and Solar Contractor hereby agree to abide by the rules and requirements set forth in the Program Handbook. Host Customer and Solar Contractor acknowledge and understand that the Reservation Request Form constitutes a request for incentive funds, the availability of which are subject to change, and that incentive funds are not reserved for this Project until the Host Customer and Solar Contractor receive written verification that this application was accepted as complete and accurate and that funds were reserved. The Host Customer and Solar Contractor are committed to completing this Project. The Host Customer and Solar Contractor declare under penalty of perjury under the laws of the State of California that 1) the information provided in the Reservation Request Form is true and correct, and 2) the photovoltaic system described in the Reservation Request Form is new and intended to offset the Host Customer's electricity needs at the site of installation.

By signing this document, you commit to understanding and accepting the Terms and Conditions of the program.
