

San Diego Solar Equity Program

Eligible Solar Contractors List

March 2023

San Diego Solar Equity Program (SDSEP) maintains an updated list of eligible Solar Contractors in the San Diego region who have completed a Solar Contractor Workshop and fully understand the program requirements. Inclusion on the Eligible Solar Contractor List means that the Solar Contractor has met the minimum requirements necessary to participate in the program. The Center for Sustainable Energy, the Program Administrator, in no way endorses or guarantees any Solar Contractor or their work. **Participating Solar Contractors are limited to 5 projects per program year.**

San Diego Solar Equity Program

Lista de Contratistas Solares Calificados

Marzo 2023

El Programa de Equidad Solar de San Diego (SDSEP por sus siglas en inglés) mantiene y actualiza una Lista de Contratistas Solares Calificados en la región de San Diego que han completado el Taller Para Contratistas Solares. Ellos entienden por completo los requisitos del programa. La inclusión en la Lista de Contratistas Solares Calificados significa que el Contratista Solar ha satisfecho los requisitos mínimos necesarios para participar en el programa. El Center for Sustainable Energy (El Centro por La Energía Sostenible), el Administrador del Programa, no promociona ni garantiza en modo alguno a ninguno de los Contratistas Solares o su labor. **Contratistas Solares que participan en el programa tienen un límite de 5 proyectos por año programático.**
